COCKTAILS

Strawberry & Basil Lemonade	7.50
Strawberry, basil, juniper, coriander, citrus & sparkle. A grownup summer fruit cooler-light and perfectly English.	
Glens Mojito	7.50
Plantation rum, red chillies, mint and ginger. A spicy, adult upgrade to a ubiquitous cocktail.	
Traders Mai-Tai	7.50
The sumptuous 1930's tiki trailblazer features rums, almond, curacao and citrus. Fresh, potent and outrageous.	
Velvet Picador	7.50
Clove, agave, citrus zest, grapefruit. Stylish precursor to the margarita, lifted from the pages of the Café Royal.	
Tommy's Margarita	7.50
Blanco tequila, agave syrup, freshly squeezed juice. A perfect riff on the all-conquering margarita by Julio Bermejo.	
Negroni Sbagliato	7.00
Rich vanilla and oak, bitter fruits, zest and prosecco. Stocchetto's elegant 1960's Milanese aperitif with Carpano and Campari.	
Clover Club	7.00
The prettiest cocktail known to humanity. London dry gin, lemon and raspberry. A classic from Philadelphia's gentrified drinking dens.	
Improved Espresso	7.00
Amaro, Kahlua, almond and espresso. It's what happens when you make the espresso martini better than the espresso martini.	
Cigar Manhattan	7.50
Cuban smoke, Canadian maple, rye whiskey and vermouth. An outrageously sinful digestif.	
Pisco Sour	7.00
Chilean Pisco, fresh citrus and smooth, bittered sugar. Originating in Lima in the 1920s, a genuine delight for the well-travelled.
